FLOSS is a brand new shiny sketch show by Eleanor, Orlando and Dillon.

Join these three Cambridge Footlights for a feel-good hour of dizzying highs and devastatingly crushing lows. You don't want to miss out!!!

From the people who brought you The Cambridge Footlights International Tour Show 2015: *Love Handles*, Footlights Pantomime 2015: *Robin Hood* and are preparing for The Cambridge Footlights International Tour Show 2016: *Lagoon*, comes another stupid sketch show.

'This is one student sketch show you don't want to miss'

★★★★★ The Tab

'Impeccably written and performed'

★★★★★ Varsity

'Consistently brilliant'
