## Marcus Ryan - Love Me Tinder

Sold Out Melbourne 2014/15 Perth 2015 Adelaide 2015

*"Growing up I had 3 older brothers, 2 parents and 1 rotary phone that sat in our kitchen. Calling a girl was mission impossible. As a result, my first girlfriend was a lesbian. I was 10 years old. My love life was doomed."*

Join the self-appointed online dating expert and "King of Tinder" – (Edmonton Journal, Canada), Aussie comedian Marcus Ryan for the critically acclaimed smash hit one man show, 'Love Me Tinder' this fringe.

Former resident of Edinburgh Marcus Ryan, returns to town with a show that's had hundreds in Australia and Canada rolling in their seats laughing and cringing. Delving into the life of on and offline daters, sharing the most intimate and squeamish tales of his upbringing to stories of prostitution, pop stars & brushes with the law on adventures and failed attempts at finding love in more than 40 countries around the world. Audiences come to share their own stories, laugh, learn and some even find love in the back row!

*'If Ryan's dead-on impression of girls swiping their way through Tinder doesn't have you almost wetting yourself, you're not doing it right.'*
